

HIWATHA UP TO DATE.

Hiwatha, in his plug hat, Whispered low to Minnehaha; Put his graceful arm around her, Held her fingers tight in his'n; Just about to woo her wildly With the chorus of a coon-song, When there came the U. S. Agent; Made a gesture at his wrist-band, Said, "You'll kindly please to move on. People who have failed at farming Now would like to try it over. You are sitting on the town site; Skiddoo, please, and three and twenty."

Dr. R. B. Garrett, formerly of this city, is Chairman of the Jamestown Baptist Exhibit Committee, which appeals to the general brotherhood to aid them in erecting a \$10,000 Baptist Building, which, after serving the purpose of a place of meeting and make the Baptist exhibit, will be kept for a Memorial Baptist Church. The building is to be planned with that end in view.

The Tobacco Warehouse Company having rented the large building in Bank street, formerly occupied by the Green River Tobacco Company, is now ready to receive and store tobacco. The present quarters are amply large to meet the requirements of all tenants who expect to change their location this spring and are compelled to move their crops.

Where it is possible to do so it is best to leave the tobacco remain in the barn, rather than bring it to the warehouse, as there is at least a difference of from \$1 to \$1.50 in winter and summer condition.

However, the Warehouse Company will provide for all who wish to store their crop, as other buildings will be secured for the purpose.

Yesterday afternoon the County Clerk's office was the scene of two weddings only five minutes apart. The brides were cousins and it was intended that the affair should have been a double wedding. The contracting parties all reside in the neighborhood of Lewisburg and both were handsome looking couples, especially the brides. The first to appear were Mr. John C. Miller, aged 27, and Miss Minnie Farrow, aged 18, who were joined in holy bonds of wedlock by Rev. Felix K. Struve.

Immediately following came Mr. Thomas A. Bramel, aged 26, and Miss Abba E. Rose, aged 21, who were soon happily wedded, 'Squire J. O. Pickrell officiating.

Mr. and Mrs. Miller left for Flemingsburg to spend their honeymoon with the groom's parents. Mr. and Mrs. Bramel extended their bridal trip to Cincinnati.

Four men were instantly killed Monday by an explosion of twenty-five pounds of dynamite at No. 6 tunnel on the L. and N. railroad, six miles South of Lexington, where contractors are constructing a double tunnel. It is claimed that the men were thawing out dynamite before a fire, and that one of the sticks had a percussion cap in it, which exploded when exposed to the heat and caused the disaster.

If the present trial of HARRY THAW ends in a mistrial, will all the pictures of the pretty EVELYN have to be published over again?

The foreign trade of the United States last year was over \$3,000,000,000, while the home trade was ten times those figures, or over \$30,000,000,000.

A DISPATCH from London says English ladies have revived the old fashion of wearing night caps in vogue a half century ago. The real, sure enough, soothing "night cap" has never been discarded by the men.

MOTORMAN ROGERS, who had charge of the new electric train in the New York Central wreck Saturday night, declared that the train was running at a speed of 70 miles an hour. And yet, people wonder at the number of railroad horrors.

Now the Republican leaders propose to revise the Tariff in 1909. When 1909 comes they will propose to revise it in 1913, and when that time arrives they will decide that 13 is an unlucky number and put it over four years longer, says The Milwaukee Journal.

The new postal appropriation bill carries the largest amount in the history of the Government, namely, \$209,416,802. This great amount of increase was made necessary by the increased compensation for clerks, carriers in the city offices and rural delivery men, due to the new order of classification.

SENATOR TILLMAN, who is usually very modest in his demands upon the cash in Uncle Sam's Treasury, now comes out with a proposition to pull the old gentleman's leg to the tune of a hundred million dollars to encourage desirable white immigrants to the South. We may still class Senator BEN as a Populist.

THE PUBLIC LEDGER heartily indorses the suggestion of The Bulletin that the new Maysville High School building be surmounted and adorned with a town clock. This suggestion is also timely, and should appeal to every person in the city. Give us a "clock in the tower," and let its four dials be illuminated every night so that all may read the "time of day" at all hours. It's a good idea. Push it along.

Now it is claimed that "disreputable gambling," has all but ruined racing in the West. The greatest of all sports has narrowed down to the state of Kentucky, and the touts, black-legs and bookmakers of Louisville, Lexington and Covington, are fast sounding the death knell for the banktails even in the Bluegrass State. Something should be done to elevate the horse and place him where he was a generation ago. But before we elevate the horse we have got to elevate his master, man.

WHO IS IT?

Miss Maude Adams has a favorite story about a "Miss Johnsing" and "Culpeper Pete."

Pete became enamored of the dusky maiden and, not having the courage to "pop" face to face, called up the house where she worked and asked for her over the telephone. When he got her on the line he asked:

"Is dat Miss Johnsing?"

"Ya-as."

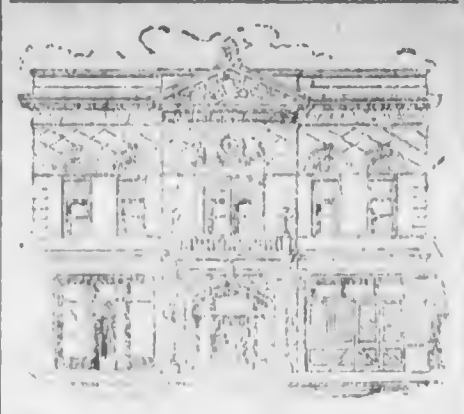

"Well, Miss Johnsing, I's got a most important question to ask you."

"Ya-as."

"Will you marry me?"

"Ya-as. Who is it, please?"

HON. AUGUSTUS E. WILLSON

Admits That He Would Accept the
Nomination For Governor

While he refused to commit himself in an interview, it is stated that Augustus E. Willson of Louisville will be a candidate for the Republican nomination for Governor, and that an announcement probably will be made by him within the next few days.

Mr. Willson said:

"I will be frank enough to admit that I'd like to be the nominee of the party for the office of Chief Executive. For 30 years I have been a faithful worker in the ranks, though for the past 10 years I have dropped out of politics rather because of personal obligations than for anything else. I simply had to pay more attention to my practice.

"I want to say that, if elected, I would go into office untrammelled and free so far as political promises are concerned."

Mr. Willson added, however, that he could not afford to make a canvass of the state and that his nomination would mean a sacrifice to him as far as his private affairs are concerned, though he admitted that with advancing years the desire for such a great honor grows upon one.

GIRLHOOD TO WOMANHOOD

Lydia E. Pinkham's Vegetable Compound

ELLEN M. OLSON

CLARA E. DARMSTADTER

The responsibility for a daughter's future largely rests with the mother. The right influence and the information which is of vital interest to the daughter imparted at the proper time has not only saved the life but insured the success of many a beautiful girl.

When a girl's thoughts become sluggish, with headache, dizziness or a disposition to sleep, pains in back or lower limbs, eyes dim, desire for solitude; when she is a mystery to herself and friends, her mother should come to her aid, and remember that Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs, will at this time prepare the system for the coming change, and start this trying period in a young girl's life without pain or irregularities. It has been thus depended upon for two generations.

Hundreds of letters from young girls and their mothers, expressing gratitude for what Lydia E. Pinkham's Vegetable Compound has done for them, are constantly being received.

Miss Ellen M. Olson, of 417 N. East St., Kewanee, Ill. writes:—

Dear Mrs. Pinkham:—

"I have had the best doctors in our town for my sickness and they all thought that an operation was necessary. I had headache,

sideache, and my feet were so sore I could hardly stand. I took two bottles of Lydia E. Pinkham's Vegetable Compound when my periods were established and now I am perfectly well. I am sure that Lydia E. Pinkham's Vegetable Compound has cured me. The change in my appearance is wonderful and I desire that this good may come to every sufferer. Any one desiring to know further details may write to me and I shall be glad to give them."

Miss Clara E. Darmstadter, of 453 Breckenridge St., Buffalo, N.Y., writes:—

"For about a year, except during the past few months, I suffered with severe pains every month, with lumbago and headaches. I had the blues so bad that I was in despair. It is a pleasure to tell you that Lydia E. Pinkham's Vegetable Compound has cured me. The change in my appearance is wonderful and I desire that this good may come to every sufferer. Any one desiring to know further details may write to me and I shall be glad to give them."

If you know of any young girl who is sick and needs motherly advice, ask her to address Mrs. Pinkham, at Lynn, Mass., and tell her every detail of her symptoms, and to keep nothing back. She will receive advice absolutely free, from a source that has no rival in the experience of woman's ills, and it will, if followed, put her on the right road to a strong, healthy and happy womanhood.

Lydia E. Pinkham's Vegetable Compound made from native roots and herbs cures where others fail.

No other remedy has such a record of actual cures of female ills. Thousands of women residing in every part of the United States bear willing testimony to the wonderful virtue of Lydia E. Pinkham's Vegetable Compound and what it has done for them. Lydia E. Pinkham's Vegetable Compound; a Woman's Remedy for Woman's Ills.

Cartmell extracts teeth without pain.

Mr. Charles Breeze, who was taken down with pneumonia Saturday, is reported in a critical condition this morning.

The many friends of Colonel Charles B. Davis will be glad to know that he is convalescent from a week's tussle with the grip.

Mrs. Emma G. Hanly, widow of W. T. Hanly, a former newspaper man, died at her home in Mt. Sterling Sunday after a lingering illness, aged about 60.

Mr. Chauncey H. Hand, General Manager of the Standard Oil Company's interests South of the Ohio river, with headquarters at Covington, was in Maysville yesterday accompanied by Mr. David Cox Fee, special agent of the same company and Mr. T. R. Heaton, C. E., in charge of the construction department. They were paying a visit of inspection to the Maysville plant and took lunch with Mr. Harry C. Curran, local agent of the company, at his home in Fourth street.

FINE HORSES

Mason County Will Soon be Recognized as Home of the Thoroughbred

Mason county is fast coming to the front as the home of the thoroughbred horse, and in consequence its fame abroad is the means of attracting foreign buyers here who invest and leave in our midst thousands of dollars.

Yesterday there were a number of buyers from a distance in the city, and the display of fancy horse flesh in Third street was of an unusually high order. That part of the street from Market down to Wall was used as a driveway for testing the animal's speed and bottom, and while no king or queen of the turf showed up, there were several that could trot some for a fact.

The day may not be far distant when Mason county will be mentioned as following in the wake of the Bluegrass country for its fine horses and stock of all kinds.

John Anderson, aged 80 years, and a veteran of the Civil War, died this morning about 5 o'clock at his home in Oklahoma.

Mrs. J. R. Davis is at the bedside of her aged and venerable father, D. A. Glascock, of Mt. Carmel, who is critically ill at his home.

The latest prognostication by observers is that Harry Thaw is certain to be declared insane. His counsel have pretty thoroughly established the fact that for a period of three years he was insane. One of the alienists defined his disease as progressive insanity. If the jury disagrees, as every one thinks it will, Jerome will at once ask a commission in lunacy. The trial may not go much farther. Most of the evidence is in and Jerome's cross examination is not expected to last very long. Further, Thaw is confidently expected to give way to rage when his wife is cross-examined by Jerome. Twice during the trial he has been calmed only by the efforts of his attorneys, and it is not thought his composure can withstand the sight of his wife suffering upon a merciless grill.

Clarence Lebus Gives Aldrich Some Pointers at Washington

Clarence Lebus of Cynthia, who is at the head of the American Society of Equity in Kentucky, appeared before the Senate Committee on Finance at Washington Monday to explain to Senator Aldrich that the farmers' organization, which he represents, is not a Trust.

Senator Aldrich was seized last week with a sudden fear that the American Society of Equity, which is pushing the bill removing the tax from leaf tobacco, is a Trust, and that therefore it would be contrary to public policy to make a favorable report on the leaf tobacco bill.

Mr. Lebus sought to ease Senator Aldrich's tender conscience on this score by explaining that the American Society of Equity is not a Trust, but an organization that is fighting the Tobacco Trust.

Aldrich's intention is to kill the tobacco bill, either in Committee or the open Senate, and he is hunting for excuses.

OUR PRIDE IS IN THE WORK HARNESS

Department of our store. By giving special attention to the most minute details we turn out Harness whose longevity rivals that of the Deacon's wonderful one-horse shay, which, as you all know, was so wonderfully constructed that it did not wear out in any one particular place, but, after being used for one hundred years to the minute, went to pieces all at once. Our workmen, being skilled at their work, know, as did the Deacon, that "Tis mighty plain that the weakest place must stand the strainin', 'n the way t' fix it, uz I maintain is only jes' to make that place uz strong uz the rest." We can give you the names of some of our customers to whom we sold work harness when we first went into business, and which is still as good as new. Do you not think this is full value received for every cent invested?

Why Vinol Is Better Than Any Other Remedy to Restore

Health and Strength

Vinol

Because Vinol is a real Cod Liver Preparation and does not contain a single disagreeable or harmful ingredient and is not a secret formula.

Because Vinol contains all the medicinal elements—the soothing, healing, strengthening and flesh creative properties of Cod Liver Oil—but without oil or grease.

Because everything in Vinol,—except the tonic iron and a fine old wine,—is actually extracted from fresh cods' livers and their oil.

Because Vinol is deliciously palatable and agreeable under all conditions. Everybody likes it.

Because Vinol tones up the system, strengthens every organ, nerve, muscle and fibre of the whole body and thus overcomes weakness by thoroughly eradicating the cause of disease.

That's Why Vinol is altogether different and better than any other remedy for Coughs, Colds, Bronchitis, and all Throat, Lung and Wasting Diseases.

That's Why Vinol Restores Health and Strength to Delicate Children, Feeble Old People, Weak and Sickly Persons, Nursing Mothers, and Convalescents.
